Welcome back after the Easter break. The summer term is always a busy but fun time of year - particularly once we have got the SATS tests done!

The staff worked hard on their immersive classrooms for this term's projects and everyone seemed delighted with the results, please come in and have a look around if you haven't managed to yet.

The project launches are well underway and have included trips out and visitors in. We have had Kurious Kritters in to Year 3, a dog agility group in for Y2, trips out to a various bakery shops for Y1 (and lots of marvellous and tasty baking), a visit to the backstage at the Hall for Cornwall for Y5 and a visit to a surf shop for Y4.

Swimming lessons and after school clubs are up and running and Y3 and Y4 have started their 6 week course of Gymnastics at Penzance Gym club and it was lovely to see so many parents and carers at our two parent consultation evenings.

Year 5 did a fantastic job fundraising at the end of last term and raised £60 for Shelterbox and £60 for Water aid well done everyone.

Bags for school were collected this week and raised £80. Thank you for your support we now need donations for our **Jumble Sale on the 19<sup>th</sup> May please!**

## Project based Learning

Carl Jarvis from Hartsholme Academy in Lincoln visited this week to see our classrooms and help inspire staff to build on our Immersive learning journey and REAL projects. Staff from our Academy partners at Alverton and Pensans schools joined us, along with Governors, for a workshop here on Tuesday morning and an evening session at Pensans School.

## School Uniform

Please ensure all uniform and swimming and PE kits are named as we spend a lot of time trying to reunite children with their belongings and a significant amount is not named. We are currently searching for two polo shirts marked with Conner Nicholls name and a PE t shirt belonging to Evan in Year 3 please can you check they have not gone home in the wrong bag. Also a reminder that school shoes must be black, no coloured laces, edges of shoes or logos. When we do get our summer weather plain black or navy croc type shoes are suitable footwear but open toed sandals are not appropriate for school. Thank you for your cooperation with this.

## Outstanding Payments

The office only sends reminders by text for monies owed to school as detailed on our SchoolMoney system. If you have any concerns or queries regarding a text you have received e.g. you are being asked for money you believe you have paid please contact Mrs Richards or Mrs Pascoe so it can be rectified accordingly...or they will keep asking you for it!

We will try to send reminders out no more than weekly but it is important that money owed is not allowed to build up.
