## 17 June 2022

## Summer 2022

Welcome back to our final term! School is very busy once again and it is lovely to see the children going off on trips and out into the community like they used to before the pandemic began. There is a lot going on so please do keep an eye on the events and the dates so you do not miss anything.

### Year 6 London Trip

The London Trip took place at long last! Our Year 6 children were such a credit to their parents and the school. They took part in a wide range of activities including visiting the Tower of London, the London Eye, the Shrek Experience, Madame Tussauds, London Zoo and watching Matilda.

### Jubilee Picnic and Sports Day

We were so lucky on May 27th as the sun shone for us. Thank you to everyone who came to our picnic. It was so lovely to have our whole community back together at last. Thank you for all your kind and supportive comments about the picnic and Sports Day. The children really enjoyed themselves.

### Family Support

Family Support Advice is available from our schools link Family Worker, Christine King, on any issues that may be affecting your family. We offer you a friendly, supportive service that meets your needs or introduces you to a service that can help you. We also offer parenting courses and information about these can also be given. If you feel you need some friendly advice or any kind of family support please feel free to contact school and we will arrange for Christine to contact you directly.

### Mazey Day

The parade will take place on June 25th and the children need to be at St John's Hall for 10.30am in their outfits. Children in Foundation will need a parent/carer with them. The children will be dressing as miners and are being asked to wear black trousers and a plain white t-shirt. We currently have had very few slips returned and need far more children to support this festival. Please will you complete the slip as soon as possible and return it to Miss Rollason. Thank you

Being the best we can be

### Leavers' Service and Show

Our Year 6 show and Leavers' Service will take place on Thursday 21st July, 4pm-5.30pm. All Year 6 parents are invited.

### Discovery Bus

Year 5 and Year 6 had fun on the beach and learnt all about rising tides, staying safe in a flood and coastal defenses from the Mounts Bay Marine Group and their Discovery Bus.

### Year 2/3

Year 2 and 3 have started learning about food in Science and are keeping a food diary.

### Summer Sun

The field is very hot at this time of year and, as the temperature goes up, your child will need a sunhat. Please consider putting some sunscreen on your child before they come to school.

### Attendance Matters!

Congratulations to Year 5 who achieved 95.6% attendance for last week.

### Lost Coat

Please can you all check if the following coat has been taken home in error:  
H&M boys, navy blue jacket with a detachable, grey jersey-lined hood, small collar and zip down the front with an anti-chafe chin guard. Front pockets with a press-stud, and trims (double white lines) at the cuffs and hem. Grey jersey lining. Motif on the jacket says New York City Street Vibes. It is named.

### Term dates:

Last day of summer term: Friday 22nd July, 1pm finish.

### Next year classes and teachers:

Foundation: Miss Tonkin and Mrs Buckingham  
Y1: Mr Moore  
Y2/3: Mrs Squires  
Y3/4: Mrs Smith  
Y5: Mrs Wood  
Y6: Miss Rollason

### Newlyn Beach

Class 1-2 took a trip down to Newlyn beach to get some ideas for an art competition. The theme is to include life in the bay so the children used their art books to record some draft drawings.

### Lateness

Just a reminder that the register is taken at 9am and if your child is not in school they will be marked as late. Being late for school is difficult for children as lessons have started when they arrive and they often feel uncomfortable walking into the class.

## Academic Year 2021/2022
