Welcome back and I hope everybody had a wonderful summer break. We are just doing a brief newsletter this week with a few bits of information to get us started.

All the children have settled in so well and we welcome Halime, William and Aston who are new to our school this term. Also welcome to Claire Puckey, Joy Newbold and Chris Perks who join our staff team, please also see Mr Perks new school dinner menu which is being sent home today and is available on our website.

The children's classrooms are looking great and three classes have already been out on trips to launch their new projects with Year 6 off to Bath next week for the start of their work on Romans.

Class letters and curriculum overviews will be coming home to you next week along with club letters. Go For it sessions for those that have paid for them will start next week all other clubs including football will start the week after. There are also plans for more surfing sessions this autumn, details to follow soon.
