London 2016

The London Trip was the most exciting experience. Our impeccably behaved children did us proud. Here is a list of what we managed to pack in in two and a half days: two exceptional London shows - Billy Elliot and War Horse, a walk through Hyde Park, visits to the Natural History, Science **and** London Transport museums, tour of the Houses of Parliament, ride on the London Eye, shopping in Covent Garden, walk through St James Park, a tour of Churchill's Cabinet war rooms AND dinners at Fire and Stone and Planet Hollywood! We had compliments from members of the public and museum staff about the behaviour of our children. We were all so very proud of them.

Here are some of their thoughts this morning:

"It was the most amazing time of my life, I want to go back again." Josh and Zac.

"The London Eye felt like I was flying." Ewan.

"It felt like a dream, I want to go back." Brandon.

"Epic" Rosie.

"Awesome!" Megan.

"I really LOVED the tube!" Harley.

"It was amazing how Mr Morley knew where to go!" Jack K.

It was really amazing - I suggest that EVERYONE should go to the London trip" Coleen.

"I had a fabulous time; if everyone could go they would have a great experience" Nicole.

'Curious Kritters'

While Year 6 were away Years 4, 5 and 6 combined for a fun afternoon with 'Curious Kritters' Mr Hyland brought in lizards, a white skunk and even a tarantula. Jack said "it was sort of soft but it moved around a lot!"

Book Fayre

Due to great parent support of our October book fayre, we were able to choose £150 worth of books for the school library, complete with plastic jackets! Our next fayre is during Book Week in March.

Breakfast Club

It is lovely seeing so many of our children enjoying breakfast club. Please can we ask that parents of all, but Foundation Class, drop the children at the hall doors and do not come into breakfast club. The children are very used to coming in now and Mrs Oliver is there to help them if they need it. They can then enjoy the social time of having their breakfast together.

School gates – picking up and dropping off

As you may already know in response to our parent questionnaires we are now having a member of staff down on the gate both morning and afternoon. It is working really well and thank you to everyone who is making this possible by not parking on the yellow zig – zag lines, driving carefully and at busy times using the unofficial one way system – it is really making a difference and keeping our children safer.

Sports News

High Five Win

Our High five Team won their first match last week 8-3! Well done Rose, Rosie, Laura, Bethany, Kaea, Josh and Tyler-Rease

Rugby

Last Sunday our rugby team were invited to the Cornish Pirates match to fly flags and make a tunnel for the players to run out through. Kaea and Rosie were Mascots and led the two teams out with their captains. We had great support from parents and everyone enjoyed themselves despite the rain!

Diary dates

10.2.16 Class 4 to Penryn climbing wall

11.2.16 Foundation Y3/Y5 swimming

We break up on Friday 12th Feb for half term and return to school on 22nd Feb
