FRIENDS OF NEWLYN SCHOOL (FONS)

A warm welcome back to the new school year, to our student body, the parents and carers and our wonderful teachers and staff. The FONS team would like to introduce ourselves and outline some of the upcoming events and projects.

2016-2017 will be a year of continued achievements on many levels. Newlyn School is a unique environment that fosters not only academic learning, but creativity, emotional growth and wellbeing. FONS is proud to work with the teachers and TAs and be a driving force in attaining more for our school, so our children can reach for the stars.

The Summer Fayre last school year, stirred great excitement by raising a record £1500 through the generosity of parents, teachers and our community. This marks the beginning of a very big and important project. A brand new LIBRARY - a space to inspire imagination create a love of reading and develop literacy skills and more.

UP COMING EVENTS

- **Monday 17th October - Olympic Circuit Activity**
- **Wednesday 19th October - MacMillan Cancer Awareness Afternoon Tea**

Calling all BAKERS...

Your patisserie skills are in demand. We need donations of yummy cakes for our MacMillan afternoon tea on October 19th. Please let me know if you can contribute.

Parents currently in FONS:

Stella Campbell, I belong to Grace in Year 1.

Mo Cooper belongs to Alex in year 3.

Toni Rimmer, belongs to Daisy in year 3 and Betty in year 1

Kelda McNeill belongs to Perran in Year 3.

If you are interested in being a part of FONS (Friends of Newlyn School), please contact me via the Newlyn School Facebook page (*please do not make it a friend request, as all communication should stay within the school page*). We welcome parents wishing to participate in the meetings, with ideas and planning, and of course parents who are happy to volunteer their time and lend a hand as needed.

Looking forward to a wonderful year of fun and friendships with parents and teachers, and all good things for our children.

Best wishes

Stella Campbell & the FONS Team
